FILTER PACKS INDUSTRIAL RANGE

**RATING: 900 cfm at 100 psi
425 Ltr/sec at 7 bar**

The Energy Power Systems Australia range of industrial filter packs are fitted with Pre-Filter, Post Filter for oils, aerosols, moisture and all airborne particulate down to 0.01 ppm (parts per million). Providing "Class 1" rated technically Oil Free Air.

Our inline filter packs have been designed and built robust for outdoor applications within the construction, industrial, pipeline and mining segments to provide durability and maintain the production of your operation.

The units are completely assembled with optilock fittings, ready for installation.
